If you see a name like this in gallery view it means the non-video participants are still visible.

Original Sound: Off

07:39

View

To create a stage you  
need to hide non-video  
participants.

Click the little arrow  
next to the cam icon.

The conductor will ask you to turn off your camera when the enactment starts.

Please make sure that you are also muted during the enactment.

After the enactment, they will ask you to turn your camera back on to maintain the connection with each other.
